AFUE REQUIREMENTS

To qualify, gas furnaces must have an AFUE of 97%.

Frigidaire units offer a 10 year Limited Warranty on all parts to the original owner when registered. Plus the Comfort Quality Pledge on select models, which states if within the first 10 years the compressor or furnace heat exchanger fails Frigidaire will replace the entire unit, registration required. W & K models are excluded from the Quality Pledge. Air handlers and coils carry a 3-year all parts limited warranty and when installed with a matched outdoor unit, will carry the outdoor system warranty. Accessories carry the 10 Year Limited Parts Warranty when installed and registered with a complete system. See warranty for specific details.
